

# Agenda

## FOCUS WORKSHOP: STROKE

Target Audience: Neuroscience Nursing and EMT professionals. Registration is limited.

- 7:00 - 7:30 a.m. **REGISTRATION AND CONTINENTAL BREAKFAST**
- 7:30 - 7:45 a.m. **WELCOME AND INTRODUCTIONS**  
JUDY AHN-EWING, REEG/EPT, CNIM, CLTM, FASET  
Director Neuroscience
- 7:45 - 9:00 a.m. **Continuum of Care for Rehab of the Stroke Patient: The Therapeutic Perspective from OT/PT/Speech on Stroke Rehabilitation**  
ANNETTE BIELSKI, PT  
ANGELA JOHNSON, OT  
KATE MOORE, SLP  
GLORIA RANKIN, PT
- 9:00 - 9:15 a.m. **BREAK**
- 9:15 - 10:00 a.m. **Advanced Neurological Assessment**  
EDNA FEINGOLD DNP, ACNP-BC
- 10:00 - 10:30 a.m. **Stroke and Dysphagia: What You Need to Know**  
PAUL COX, MA, CCC-SLP
- 10:30 - 11:00 a.m. **The Landscape of Stroke Certification**  
LYNNE FROEHLICH RN, BSN, CCRP

St. John Providence (OH-287, 7/1/2018) is an approved provider of continuing nursing education by the Ohio Nurses Association (OBN-001-91), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

To receive contact hours, the participant must attend the entire morning session and complete evaluation form.

Contact hours provided.

## MAIN SYMPOSIUM

- 11:00 - 11:30 a.m. **REGISTRATION & BOXED LUNCH**
- 11:30 - 11:45 a.m. **WELCOME AND INTRODUCTIONS**  
Eric Barnaby, Senior VP Strategy and COEs  
Julie Ishak, VP Neuroscience COE
- 11:45 a.m. - 12:45 p.m. **Recent Advances in Acute Stroke Treatment**  
MOUHAMMAD JUMAA, MD  
Assistant Professor, Neurology  
Director, Stroke Center  
Co-Director, Stroke Network University of Toledo
- 12:45 - 1:15 p.m. **Advances in Neuroimaging for The Primary Care Physician**  
ROGER L GONDA JR., MD FACR, FICS  
Chairman Department of Diagnostic Imaging and IR, PPPH
- 1:15 - 1:45 p.m. **Diagnosis and Treatment of Posterior Fossa Tumors**  
ELEANOR CHAN, MD  
Associate Professor, OUWBSM  
Clinical Assistant Professor, WSU  
Clinical Professor, MSU
- 1:45 - 2:15 p.m. **BREAK with POSTER PRESENTATION**

## MAIN SYMPOSIUM CONTINUED

### BREAKOUT SESSION I

- 2:15 - 2:45 p.m. **Evaluating the Geriatric Patient**  
CINDY SHIELDS, MSN, NP-C  
Adjunct Faculty, University of Michigan, Flint
- 2:45 - 3:15 p.m. **Obstructive Sleep Apnea and Stroke**  
CHAKRAPANI RANGANATHAN, MD  
Medical Director Stroke and Chief of Neurology, SJMOH
- 3:15 - 3:45 p.m. **Indications for Advanced Neurodiagnostic Testing**  
JUDY AHN-EWING, R.EEG/EP T, CNIM, CLTM, FASET  
Director, Neuroscience COE
- 3:45 - 4:15 p.m. **Creative Problem Solving in Spinal Surgery**  
TECK SOO, MD FRCS (C), FRCS (ED) FACS  
Clinical Director of Complex Spine  
Clinical Assistant Professor, Michigan State University-CHM

### BREAKOUT SESSION II

- 2:15 - 2:45 p.m. **Time is Brain: Emergency Room Treatment of Stroke**  
ROBERT COHEN, MD  
Emergency Room Physician, PPPH
- 2:45 - 3:15 p.m. **Neuroendovascular Stroke Update**  
RICHARD D. FESSLER II, MD  
Chairman, Department of Surgery SJHMC  
Chairman Affinity Group for Neuroscience and Neurointervention  
Medical Director Telemedicine Oversight Committee for Ascension of Michigan
- 3:15 - 3:45 p.m. **Pharmacological Management of Acute Thromboembolic Stroke**  
RENEE ALEXANDER PAXTON, PHARM.D., BCPS, BCCCP  
Critical Care Pharmacy Clinical Specialist, SJHMC
- 3:45 - 4:15 p.m. **Accentuate the Negative: Maximizing Rehab Motor Outcomes for Stroke Survivors with Error Augmentation**  
JEFF BERGER, MPT  
Lead Physical Therapist, Cracchiolo Inpatient Rehabilitation Unit, SJHMC
- 4:15 - 4:30 p.m. **REFRESHMENT BREAK**
- 4:30 - 5:15 p.m. **Diagnosis and Management of Sports Concussion**  
JEFFREY KUTCHER, MD, FAAN  
National Director, The Sports Neurology Clinic at The CORE Institute
- 5:15 - 6:00 p.m. **Recognizing and Treating Movement Disorders**  
PAUL CULLIS, MD, FAAN, FEAN  
Chief of Neurology, SJH&MC  
Parkinson's Disease and Movement Disorder Clinic, SJHMC  
Clinical Professor of Neurology, Wayne State University School of Medicine
- 6:00 - 7:30 p.m. **STROLLING BUFFET / MEET AND GREET**

# 7th Annual Neuroscience Symposium: Neuroscience for the Primary Care Physician • September 16, 2016

## Program Overview

This one day conference will provide the health care practitioner with updates and information on new developments and the latest advances in neuroscience, presented by regional and national experts. This program will provide information in current thinking about various diagnostic and therapeutic challenges commonly encountered in clinical practice in multiple sub-specialties within the neurosciences.

## Program Objectives

Understand the epidemiology, review the most effective methods for treating and identify current pathophysiology and treatment options in the diagnosis and management of the following:

- Diagnosis and treatment of acute ischemic stroke in the ED
- Review scientific literature pertaining to error augmentation in neurorehabilitation
- Help therapists understand how to implement error augmentation techniques in the clinic
- How to perform a comprehensive geriatric assessment
- Review indications, technical equipment and contrast needed for common stereotactic imaging procedures
- Review blood pressure management in acute stroke
- Identify appropriate candidates for Alteplase (tPA) and review dosing
- Review the most effective methods for treating syringomyelia, cryptic spontaneous CSF leak, proximal junctional kyphosis
- Describe the difference between concussion, post-concussion syndrome and long-term effects of repetitive brain trauma in athletes
- Identify indications for video EEG monitoring in the diagnosis of epilepsy
- Identify current pathophysiology and treatment options in the diagnosis and management of obstructive sleep apnea and association with occurrence of CVA
- Review the most effective methods for treating Posterior Fossa Tumors
- Identify current pathophysiology and treatment options in the diagnosis and management of Posterior Fossa Tumors
- Understand the epidemiology of Acoustic Neuromas, Meningiomas, and Cholesteatomas of the Posterior Fossa

## Accreditation Statement

Providence-Providence Park Hospital is accredited by the Michigan State Medical Society to provide continuing medical education for physicians.

## AMA Credit Designation Statement

Providence-Providence Park Hospital designates this live activity for a maximum of **6 AMA PRA Category 1 Credit(s)**™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Osteopathic Physicians:** AMA PRA Category 1 Credits™ are acceptable towards Category 2-A Credit.

## Target Audience

This program will benefit physicians, nurses, nurse practitioners, physician assistants, residents, medical students, emergency medical technicians, therapists and other clinicians in the specialties of internal medicine, family practice, emergency medicine, rehabilitation and neuroscience.

## Program Planning Committee

### DENNIS BOJRAB, MD

CEO, Michigan Ear Institute  
Medical Director, Skull Base Program & Dizziness Balance & Falls Program, PPPH  
Clinical Associate Professor, Wayne State University School of Medicine

### PAUL CULLIS MD, FAAN, FEAN

Parkinson's Disease & Movement Disorder Clinic, SJHMC  
Medical Director Stroke Program, SJHMC  
Clinical Associate Professor of Neurology, Wayne State University School of Medicine

### RICHARD D. FESSLER II, MD

Chief, Department of Surgery, SJHMC  
Director, Neuroendovascular Program, SJP  
Director, Telemedicine Network, SJP  
Professor of Surgery, St. George Medical School

### MICHAEL LAROUERE, MD

Director of Neurosciences, PPPH  
President & Fellowship Director, Michigan Ear Institute  
Clinical Associate Professor, Wayne State University School of Medicine and Michigan State University

### CHAKRAPANI RANGANATHAN, MD

Medical Director, Stroke - SJMOH

### BRUCE SILVERMAN, DO, FACN

Medical Director, Stroke, PPPH  
Director, TeleStroke Network, SJP  
Clinical Associate Professor of Neurology, Michigan State University College of Osteopathic Medicine

### TECK SOO, MD, FRCS(Ed), FRCS(C), FACS

Medical Director of Complex Spine  
Section Chief, Neurosurgery, PPPH  
Clinical Associate Professor of Neurosurgery, Michigan State University College of Osteopathic Medicine

### JUDY AHN-EWING, BA R.EEG/EP T, CNIM, CLTM, FASET

Director, Neuroscience, SJP

### JULIE ISHAK, RN, MSN, NP-BC

Vice President, Neuroscience Center of Excellence

## Disclosure

Consistent with the ACCME Standards of Commercial Support, speakers for the conference are expected to disclose to you at the beginning of their presentation(s) whether or not they have any economic or other personal interests that create, or may be perceived as creating, a conflict related to the material discussed. This policy is intended to make you aware of speaker's interests, so you may form your own judgments about such material.

## Fees

No charge for main symposium and focus workshop for physicians, nurses and associates of SJP or SJP affiliates etc.

\$75 for Main Symposium for non SJP physicians, nurses and associates or affiliates. etc.

Registration fee includes CME/CEU credits, box lunch, reception buffet and registration materials. Fee must accompany registration form.

\$35 for focus workshop stroke for non SJP physicians, nurses and associates or affiliates, etc.

Registration fee includes CE credits, continental breakfast and registration materials. Fee must accompany registration form.

## Accommodations

### Staybridge Suites

27000 Providence Parkway  
Novi, MI 48374  
248-349-4600

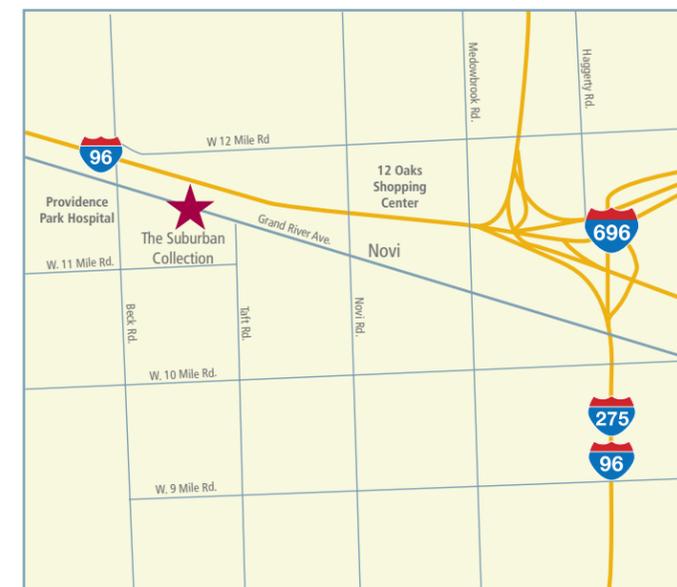

### Hyatt Place Hotel

46080 Grand River Ave.  
Novi, MI 48374  
248-513-4111

## Conference Location

### Suburban Collection Showplace

46100 Grand River Ave  
Novi, MI 48374

## Registration Information

**By Phone: Call 1-866-501-DOCS (3627)**

**By Mail:** Mail this form along with check made payable to **St. John Providence Neuroscience** to:

Health Connect  
18000 West Nine Mile Rd.  
Suite 1400  
Southfield, MI 48075

**By Fax: 248-331-4759**
