

SEIZURES IN THE CLASSROOM

UNDERSTANDING EPILEPSY IN THE PEDIATRIC POPULATION

Is it a seizure?

Certain types of seizures can be very hard to recognize and can be mistaken for attention or behavioral issues. Please join us for an evening of refreshments and education to help you identify the signs and symptoms of these seizures which can be hard to detect.

NOV. 27, 6 p.m.

*Presented by Anne Marie Michon,
MSN, RN, CPNP-PC*

**Moceri Learning Center
Beaumont Hospital**

44201 Dequindre Road,
Troy, MI 48085

*Parking has been reserved in
lot outside the Moceri Learning
Center starting at 6 p.m.*

*Light refreshments at 6 p.m.
Lecture begins at 6:30 p.m.*

*Anne Marie is a pediatric nurse practitioner and
co-coordinator of the Epilepsy Surgery Program
at Beaumont Children's Hospital.*
